

# **D58QC72**

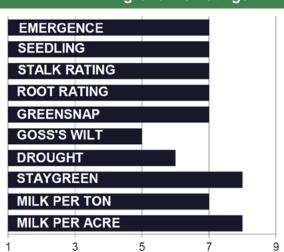

RM 118 • GDU 2870 Vip 3110 AVAILABLE RIB: NO

#### **Management & Positioning**

- Silage only Silage Select<sup>™</sup> hybrid with high milk per ton and AgriSure Viptera® 3110
- Excellent late season plant health with excellent earworm control for quality silage
- Best suited southern markets on irrigated acres
- Consistent ear size and excellent eye appeal with good starch content and high starch digestibility
- Excellent tip fill with very good milk per ton and milk per acre potential

### **Agronomic Ratings**
